

# Government-funded National Museum Participants The Museum Accreditation Scheme for Museums in the UK

November 2009

## Explanation Notes

- Holders of Designated Collections are marked with .
- Holders of Recognised Collections in Scotland are marked with .
- Accredited Museums are those meeting the requirements of the Museums Accreditation Scheme.
- Provisionally Accredited museums are those who have applied for Accreditation, and do not entirely meet one of more requirement, but who have demonstrated a commitment to meet the relevant requirement(s) in a set time period. Provisional Accreditation is available for 12 months. Museums are also awarded Provisional status if they meet the standard, but are temporarily closed for refurbishment or redevelopment.
- Registered Museums are those meeting the requirements of the Registration (Phase 2) standard, launched in 1996, and superseded in 2004 by Accreditation.
- Provisionally Registered museums are those who have applied for Registration, and who do not entirely meet one of more requirement, but who have demonstrated a commitment to meet the relevant requirement(s) in a set time period. Museums are also awarded Provisional status if they meet the standard, but are temporarily closed for refurbishment or redevelopment.
